INTRODUCTORY COMMENTS

Sir:

- 5 In response to the Office action of January 23, 2007, the applicant asserts that claim 38 has been placed in condition for allowance as the cited reference, U.S. Publication No. 2004/0041571 A1, is found inoperative under 102(e) due to common assignee's own work. Reconsideration of claim 38 is respectfully requested.
